**Minnesota Legislative Campaign**

**Commitment Sheet**

I, \_\_\_\_\_, commit to support APAC's 2022 Legislative Campaigns by completing the following tasks:

- I want to be on the action alert list (which means I will be notified when it's a good time to call or write a letter to my legislators).
- I will write and send a letter to my state senator and state representative. (APAC will provide contact information.)
- I will join the APAC Legislative Committee, which includes:
  - Developing legislative strategy and planning legislative events.
  - Informing my neighbors about what's happening at the Capitol.
- I will encourage letter writing in my park and host a letter writing session, if conditions allow. (APAC will help to plan and organize.)
- I will attend in-person or virtual meetings and hearings held by the Minnesota Legislature in February and March of 2022.
- I will join APAC today! (Or renew if I am already a member.)
