All Parks Alliance for Change
Bowling for Affordable Housing

DRAFT

APAC

Welcome to our Bowl-a-thon and Silent Auction, 2018 version.

Who are we?

We are All Parks Alliance for Change, a nonprofit that seeks to answer questions from residents of manufactured home parks regarding pretty much anything under the sun. People who live in manufactured homes are unique – they typically own the structure that they live in but rent the land underneath. Are they renters? Kind of... Are they homeowners? Again, kind of... Another function of All Parks Alliance for Change, commonly referred to as APAC, is to remind the state legislature that the rules and regulations intended for apartment dwellers and those who occupy and own standard ‘stick built’ homes sometimes forget to consider the wants and needs of manufactured home residents.

Now that you know who we are, why do we have a silent auction?

We are a 501(c)(3) organization funded entirely by grants and by whatever funds we raise ourselves – like right here and now. We are extremely grateful to our first donor, Park Tavern of St. Louis Park, for providing the bowling alleys and the requisite shoes for this event, free of charge.

A big round of applause for Park Tavern, St. Louis Park, MN!

So, at last, who are you, interested bidder? Please look over the selection of donated items and if you find an item or two that catches your fancy, remember the following rules:

1. Bid in whole dollar amounts only. A bid that is less than the starting bid will be rejected.
2. The first time that you place a bid on an item, you must give a cell phone number or an e-mail address. If you have neither, a land line number or a snail mail address is acceptable. First bids without contact information will be rejected. (Second bids don't need contact information filled in; once is enough.)
3. Most items permit the bid amount to be increased by one dollar at a time, but there are a few that specify the bid increment to be \$3 or \$10. Please look carefully at the heading on the front page of the bid sheet.
4. If there are a lot of bids on anything in particular, the backs of all the bidding sheets are also ruled for bids. The auction attendant will mark “OVER “ at the bottom of the page and only then may bids be written on the back.
5. What if there's more than one item offered and I only want one? Please state the quantity desired. There will be at least two starting bids specified for those items.

Thank you! We will close the bidding at 3 p.m. and announce the winning bids at that time.

Please remit any payment due via cash or personal check to our cashier.
